INTEREST-FREE PAYMENT PLANS

GENERAL, PREVENTATIVE, COSMETIC & CHILDREN'S DENTAL

northsidedentalsolutions.com.au

GET THE TREATMENT YOU NEED NOW AND PAY LATER

At Northside Dental Solutions, we want to give you the best chance of achieving dental health. Even with our affordable prices, the cost of dental treatment can sometimes add up.

We offer interest-free payment plans so you can get the work done now and spread the cost of your treatment over a period of up to 40 weeks. Interest Free. No hidden fees.

The benefits of our [interest-free payment plan](#) are:

- NO interest - ever
- NO hidden fees or charges
- NO credit check
- NO penalties for early repayment
- Easy \$39 setup fee
- Convenient weekly or fortnightly direct debit payment plan
- Spread the cost up to 40 weeks
- Just 20% deposit required at the start of treatment
- We will work with all health funds to further reduce your out of pocket expense

HOW IT WORKS

Step 1 A written treatment plan including all costs will be provided by your dentist after your through dental examination.

Step 2 When you are happy with the plan, we will discuss the period of plan and how much it will cost each week/fortnight.

Step 3 Sign a simple, one page direct debit agreement.

Step 4 The specified payments that you have decided on will come out of your bank account every week / fortnight. The payments will automatically stop at the end of the repayment period. Easy!

EXAMPLE

After her recent dental examination, Emily found out she needed 10 fillings costing \$1950. Emily is a student and can't afford to pay that much money for her fillings. Emily chose to spread the cost of the treatment over 20 weeks.

EXAMPLE - EMILY'S FILLINGS

Cost of Emily's Fillings	\$1950
20% Deposit	\$390
Weekly Repayments	20
Weekly Repayments	\$78

MAINTENANCE PLAN

Our **Maintenance Plan** was developed to reduce the cost of preventative dental visits while making it as easy as possible to look after your dental health. The plan includes two comprehensive examinations, two thorough scale and cleans, all x-rays, photos, fluoride and any emergency consultations for only \$13.48 a fortnight. That's less than \$1 a day!

The benefits of our maintenance plan are:

- Simple direct debit relationship
- No fees
- No credit checks
- Cancellation is free at any time
- Cheaper than the regular cost of coming to the dentist every 6 months
- Peace of mind
- Complimentary emergency examinations throughout the life of the plan
- Works well with health funds to reduce your out of pocket expense

HOW IT WORKS

- Step 1** Sign a simple direct debit agreement.
- Step 2** \$13.84 will be debited from your bank account every fortnight for the life of the plan.
- Step 3** Turn up to your dental appointment every 6 months and don't pay a thing! Free emergency examinations throughout the period of the plan.

EXAMPLE

Jane has recently finished her treatment and wants to stay on top of her dental health. Jane doesn't have private health insurance and wants the most affordable way of doing this. Jane signed up for our Maintenance Plan for peace of mind and to save her even more money.

JANE'S CHOICE

Cost of regular check & cleans (6 monthly)	\$200.45
Yearly cost of regular check & cleans	\$400.90
Fortnightly cost of Maintenance Plan	\$13.84
Yearly cost of Maintenance Plan	\$360
